

ESS GOGGLES

ESS Innerzone 2 Goggles Model # ESS 01 GY2-WF

NFPA 1971-2000, NFPA 1500 and ANSI Z87.1 Compliant

NFPA-Compliant Eye protection that snaps on helmets in Seconds.

The ESS Innerzone 2 features the patented Snap on/Snap-off strap and mounting system, which allows the goggles to be stowed on the front or rear of a helmet, or quickly removed. Designed to withstand the rigors of structural collapses and other hazardous situations that demand primary eye protection, the Innerzone 2 is fully NFPA compliant, including the 500-degree for 5 minutes NFPA oven test.

Mounting System

- Functions well with all major structural firefighting helmet designs.
- High heat-resistant mounting brackets carry a lifetime warranty and securely attach to helmet brim, no drilling.
- Patented Snap-on/Snap-off mounting system allows goggles to be quickly removed and stored in a pocket.
- Strap grommets snap on and off the mounting brackets
- The Innerzone 2 can be used on a helmet alone or together with a face shield or flip-downs

Strap System

- Two-piece strap system made of 26mm-wide, high-memory woven Nomex
- Patented Speed Clip strap system makes strap adjustment quick and easy, even with gloves on
- Now featuring the improved Speed Clip design

Frame

- Frame made from high heat-resistant materials
- Full-perimeter ventilation and filtration system allows humidity to escape while filtering out dust, smoke and particles
- Fits comfortably over most prescription eyewear

Lenses

- Lenses feature ESS ClearZone anti-fog and anti-scratch lens coatings
- All lenses provide 100% UVA/UVB protection and precise optical clarity for distortion-free vision
- Lenses are highly impact resistant and exceed the impact requirements of ANSI Z87.1-2003+
- NFPA 1971/2007 Compliant

Rx Insert

- Prescription lenses can be fit by any optometrist into the Striker Rx insert, which installs inside the goggle frame

Full compliance with the following Standards and Regulations:

- NFPA Standard 1971-2007
- NFPA Standard 1951-2000
- NFPA 1500: Primary Eye Protection
- ANSI Z89.1-2003+
- US Federal OSHA Standards
- CE EN 166 (B)
